BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED: On or about December 7, 2024, in the District of Arizona (Whetstone), a United States Border Patrol Agent (BPA) observed a 2010 Chrysler Town and Country pass his location traveling northbound on State Route (SR) 90. The van appeared heavily laden with the rear riding much lower than the front. The BPA noticed the driver, front seat passenger, and a temporary license plate. The BPA followed behind and requested record checks. The registration returned to a used car company out of Phoenix, Arizona. The BPA noticed a large open area in the van to where seats may have been removed and decided to conduct a stop. Multiple people in the back area without seats sat up into view and began moving around. The driver was identified as Sterling Lee Runyon , and the front seat passenger was identified as Halston D Oir Washington . The BPA observed four passengers in the back area with camouflage carpet booties on the floor. The four passengers including Jovani Alejandro Gonzalez-Mejia and Lizbeth Jimenez-Hernandez were determined to be Mexican citizens illegally present in the United States. BPAs discovered 53 grams of marijuana and 15 grams of THC wax inside a backpack in the van. Records checks revealed that Jovani Alejandro Gonzalez-Mejia and Lizbeth Jimenez-Hernandez did not have the proper immigration documentation to enter or remain in the U.S. legally. Gonzalez was previously removed from the U.S. on November 27, 2024.
